The Academy ESD Program provides after-school care for our Academy students. The program is self-supporting, and your student's attendance is a privilege. Registration is selected through a **LOTTERY** system. The lottery form needs to be turned in by May 17th. You will be notified by May 24th if your student has been chosen for the lottery or has been placed on the waitlist. After selection, the registration fee will be due by May 31st and the first week will be due August 9th.

Payments and Fees

- A non-refundable registration fee of \$55 per family is due upon registration.
- **ALL FEES ARE PRE-PAID through Procure**
- According to the Constitution of the State of Florida, Article VII, Section 10, it is a violation for public schools to operate on a "credit" basis.
- The full weekly fee will be charged regardless of the number of days the student attends.
- Weekly fees per student:
 - \$65 per week for one student
 - \$100 per week for two students
 - \$125 per week for three students
- An additional \$20 a week per student for families with more than three students

Behavior

Your student is expected to follow the established rules and act appropriately as they would during the school day. Appropriate safe behavior is expected from your student. Disciplinary strategies will be used, such as warnings, time-out of various lengths, or loss of privileges. If these do not work, your student may be suspended from attending the ESD program for up to three days. If the student's behavior does not improve after that, we reserve the right to revoke your student's privilege of attending the ESD Program.
